The following is my number in the RPPS (Directory of Healthcare Professionals), if I am a healthcare professional:

I undertake to update my public declaration of interest [PDol] whenever these interests change. I am required to verify my PDol at minimum once per year even if there have been no changes.

It is my responsibility, upon my receipt of the agenda for each meeting in which I am invited to participate, or for such provision of expert advice as the French National Cancer Institute may wish to entrust to me, to ascertain whether the interests that I have declared or may arise are compatible with my attendance at all or part of such meeting, or my participation in such provision of expert advice. In the event of any incompatibility, it is my responsibility to advise the designated contact person at the French National Cancer Institute and, if appropriate, the chairperson of the meeting prior its starting. In the event of a conflict of interest, my presence may cause the decisions made or recommendations, references or opinions issued to be tainted, and render them null and void.
